

ROSE TREE DEDICATION

We can help you commemorate a loved one with a dedicated rose tree planted in their memory. The rose can be in a colour of your choice.

The cost is £250 for 5 years and this includes a plaque with your own wording. Before the end of the 5 year period we will invite you to renew for another 5 years for a further £250.

Space for rose trees is limited within the cemetery. Therefore we may have to remove your plaque should you not wish to renew after 5 years.

Although we will always try to plant the tree near to your loved one, it may not always be possible. It may be dependent on sufficient room in the appropriate section.

The rose tree planting season is between October and March and we do not recommend planting outside of this period. However, if you wish to pay in advance we will ensure that your rose tree is planted at the earliest opportunity. In every case we will send you a photograph of your planted tree.

We accept payment via debit/credit card or cheque. If you wish to pay by cheque then please make this payable to EJBB and send to the cemetery office along with the dedication form.
