

PEBBLE BIN DONATION 2023

There is an age-old Jewish tradition to place pebbles on the memorials of loved ones.

Contemporary, smart, and lightweight. Our pebble bins are made in top quality fibreglass (GRP) which is extremely robust and completely weatherproof.

The 'Espresso' colour is black with the faintest hint of brown (noticeable only in sunlight) which sets off leaf-green foliage particularly well.

The dimensions are 90cm in height and 40cm width at the top.

Included in the price is the choice of a metal inscription plate (up to 100 characters).

The total cost is **£600**.

Edgwarebury Cemetery will keep the bins filled with pebbles all year round and there is no additional annual cost to the customer.

- Payment can be by credit or debit card
- Cheques payable to "EJBB"
- Bank transfer to: Sort code 60-16-10, Account Number 21786894
