

QUALITY PLANTERS 2023

Contemporary, smart, and lightweight. Our planters are made in top quality fibreglass (GRP) which is extremely robust and completely weatherproof.

The 'Espresso' colour is black with the faintest hint of brown (noticeable only in sunlight) which sets off leaf-green foliage particularly well.

The dimensions are 50cm in height and width providing 105 litres of capacity.

Included in the price is the choice of a brass inscription plate of up to 100 characters.

The cost is **£600**, and this includes twice-yearly planting (summer and winter) at the cemetery's discretion in perpetuity. This price includes VAT where applicable. VAT registration applied for. Please contact the office if you require a VAT invoice.
