## **ROSE TREE DEDICATION FORM 2023**

We can help you commemorate a loved one with a dedicated rose tree planted in their memory. We will try to source the colour of your choice.

The **standard** cost is **£350** for 10 years and this includes a metal plaque with your own choice of wording.

Before the end of the 10-year period, we will invite you to renew for another 10 years for a further £350. The renewal price is guaranteed throughout that time. Should your rose tree not survive for whatever reason during the 10 years, the cemetery will replace it without additional charge.

You can also choose our **premium** option to plant a rose tree on the lawns either side of the prayer hall. The cost is **£500** for 10 years on the same renewal basis as above.

Spaces for rose trees are limited within the cemetery. Therefore, we may have to remove your plaque should you not wish to renew this agreement after 10 years.

It is not always possible to plant the rose tree near to your loved one, but we will endeavour to do so. Most rose trees are planted at the end of rows along the pathways.

The rose tree planting season is between January and May. We usually plant in March depending on weather conditions.

If you wish to pay in advance, we will ensure that your rose tree is planted at the earliest opportunity, and we will send you a photograph of your tree on request.

We accept payment over the telephone by credit/debit card. In this case, you will need to email the dedication form to [admin@ejbb-jbc.org](mailto:admin@ejbb-jbc.org) or, alternatively, you can pay by cheque. Please make it payable to EJBB and send it with the dedication form to the cemetery office. If you prefer to pay by bank transfer, please call us for our bank details.

Should you have any further questions or queries, please do not hesitate to contact one of our Administrators, Sara Black, or Jocelyn Axelrod, on 020 8958 0090.
